UM EXTENSION DIVISION  
OFFERS 22 NIGHT COURSES  
FOR 1972 WINTER QUARTER

MISSOULA--

A total of 22 night courses will be offered as a public service during the 1972 winter quarter at the University of Montana through the UM Extension Division.

Residents of Missoula and vicinity who are interested in signing up for one or more of the courses should do so the first week of the program, which begins the week of Jan. 4.

Most of the courses are offered between 7-10 p.m. one night a week--Tuesday, Wednesday or Thursday--through winter quarter, which ends March 16 for the night students. Several courses have classes two nights a week.

Mary Margaret Courtney, assistant coordinator of the UM Extension Division who can be reached by phone at 243-5073, said the extension courses with insufficient enrollments to finance them will not be offered. The courses are available for \$16 per credit.

Up to nine credits earned under the extension program may be applied toward a master's degree program if properly authorized by the graduate committee.

A listing of the courses available follows. Courses with (G or UG) following the titles are available for graduate or undergraduate credit. Courses with (UG) following the titles carry only undergraduate credit.
